

THE CORPORATION OF THE DISTRICT OF OAK BAY

SNOW CLEARING REGULATIONS

Oak Bay residents are advised that in the event of a snowfall, the provisions of Oak Bay's Streets and Traffic Bylaw require the owners, occupiers or lessees of lands or premises abutting any sidewalk in the Municipality, to keep the sidewalks free of snow or ice.

You are encouraged to use alternatives to salt (such as sand, high nitrate fertilizers or calcium chloride) which do not corrode concrete. Thank you for your cooperation.
